##### **Pray**

Before you go about your day, pause and ask God, "Lord, show me who you want me to bless today."

##### **Look and Listen**

As you go through your day, look and listen for the person God brings to your attention. Once you think you know who it is, ask God how he wants you to bless them. If you're not sure, initiate a conversation with the person you feel led to, and ask them basic questions like, "How are you?" "How's life right now?" "Anything I could help you with?" etc., and listen for anything the Holy Spirit might highlight that you could help them with or pray with them about.

##### **Bless**

Whatever you think God may be leading you to say or do, take the risk and say or do it! You'll be amazed at how you experience God move and how he will use YOU to bless other people!
